SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK  
ON LICENSE 050210579

REF: A. 2006 BLUE LANTERN GUIDEBOOK  
[1](#)B. STATE 5003  
[1](#)C. KUALA LUMPUR 12

[1](#)1. This is an Action Request. See paragraphs 2-4.

[1](#)2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a pre-license check on license 050210579 for the export of International Traffic in Arms (ITAR)-controlled F-5 parts to Malaysia. Post is requested to complete this Blue Lantern inquiry within 30 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

[1](#)3. Reason for request: Unfamiliar foreign consignee, Dinamik Maju Bumi Sdn Bhd (DMB) (no licensing history); no documentation from end user, Royal Malaysian Air Force (RMAF); parts at risk of diversion.

4.(SBU) ACTION: The Department requests that Post make inquiries with appropriate officials to establish the bona fides of DMB in the transaction. Conduct a site visit to assess the company's reliability as a recipient of United States Munitions List (USML) articles as well as an assessment of the company's on-site security and operations. If a site visit is not possible, please inform the PM/DTCC case officer. In light of the well-publicized case of the stolen F-5E engines, Post is also recommended to seek some clarification from RMAF as to their requirements regarding F-5 aircraft; some Malaysian officials have suggested that the F-5 is an obsolete platform, yet DDTC continues to see license applications for the export of F-5 parts to Malaysia (reftels).

The following points are included for guidance:

--Can Dinamik Maju Bumi provide documentation that verifies the end-use of the aircraft parts, such as a contract or purchase order with the RMAF?

--When was Dinamik Maju Bumi established and who are its principals?

--What is the nature of the company's business?

--What type of organizations are among its typical customers and where are they located?

--Does Dinamik Maju Bumi understand the restrictions on USML items, especially the prohibition against unauthorized retransfer and re-export?

END ACTION.
